

I do everything I say - word for word.  
I am never a minute late.  
I show no excitement. (Pilot 3/19). calm, direct, pointed, non-emotive.  
ALL ABOUT BUSINESS.  
I am not impulsive.  
I do not react.  
I am always proactive.  
I know the outcome of every encounter.  
I do not hesitate.  
I constantly make decisions + change them as needed.  
I give IMMEDIATE feedback, non-emotionally.  
I speak rarely. When I do - CRISP and CONCISE.  
I call bullshit immediately.  
My hands are always in my pockets or gesturing.  
I am fully present.
